PROFESSIONAL EXPERIENCE

Freelance

November 2017 – Present

CalMatters

- Develop and maintain interactives, web pages, microsites, and reporting tools for journalists at calmatters.org

Via

- Developed [interactive maps](#) for ridewithvia.com allowing users to vote for expansions in NY, Chicago, Washington D.C

Council on Foreign Relations, New York, NY

Design Technologist

April 2017 – Present

- Created a new role within CFR's Digital team to prototype new product ideas for the organization and liaise between designers, developers, and “customers” within the organization
- Serve as the department's most accessible, front-facing technical resource, present work to various teams, departments, colleagues, and executive leadership
- Use skills and technologies in front-end design and development (HTML5, CSS, JavaScript) to help shape and develop custom microsites, data visualizations, and other products for multiple departments
- Developed CFR's first responsive email newsletters and regularly maintain them across all departments
- Design, develop, and implement front-end systems for data visualization designers to produce their own high-quality, bespoke interactive graphics

Assistant Multimedia Producer

September 2013 – April 2017

- Assisted in the web production of the InfoGuides, an online documentary series
- Utilized JavaScript to develop two interactive slideshows on foreign policy issues
- Produced and edited CFR.org's The World Next Week and The President's Inbox, two podcasts that analyzed political news

Adjunct Lecturer,

May 2015 – August 2015, May 2017 – August 2017

Stony Brook University, School of Journalism, New York, NY

- Developed website to showcase student-journalists work on a WordPress custom installation
- Traveled with undergraduate and graduate students to Hawaii and New Mexico to instruct them as they reported on NASA's geological field research
- Taught students how to become self-sufficient multimedia reporters capable of interviewing, producing, and editing content

Council on Foreign Relations, New York, NY

June 2013 – August 2013

Multimedia Intern

- Editing and producing multimedia content (text, photo, video, podcasts) for the CFR Editorial team. Conduct research for interactive multimedia projects.
